

2023 Service Area County + ZIP Codes for Metal Plans

There are 19 geographical rate areas. The rating areas for metal plans are based on the employer's physical, authenticated address and defined using county boundaries (valid ZIP+4 code and county), regardless if a group is located outside the Kaiser Permanente service area in California. If a group is located out of a state, then rating area 4 is assigned. When a group is located outside the Kaiser Permanente service area in California or out of state, then only employees living in the service area are eligible to enroll based on their home ZIP code + county.
