### Rate rules for metal plans

Understand the way rates are set in the small group market. You'll use these factors to calculate rates for your metal plans:

- **Rate areas** – There are 8 geographical rate areas.
  - The rate areas for metal plans are assigned based on the employer's physical, authenticated address and defined using 5-digit ZIP code.
  - If an employer's business is located outside the geographic boundaries of the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., service area, only employees living in our service area (based on their home ZIP+4 code) will be eligible for coverage. This is referred to as the Live/Work rule. If a group located in our service area has employees who live, work, or reside outside the service area, point-of-service (POS) offerings are available.
  - If the group's home office is located outside the service area, the group's premium billing is sent to that location, and the group has only staff working within our service area remotely from their homes, then the employees' home addresses will determine the group's situs. Where these employees reside in multiple jurisdictions, situs is based on the address of the most senior employee. No group may have more than one situs.
- **Individual age categories** – Rates are calculated by the age of each covered member on the plan's effective date. This includes:
  - Your employee
  - Employee's spouse or domestic partner
  - A maximum of 3 children under the age of 21 (additional children under 21 are covered at no additional cost)
  - All adult children ages 21 to 25, including those in school or living at home

### Child dental

Child dental coverage is only activated if child(ren) are enrolled in a medical plan. Child dental services are one of the essential health benefits required to be provided by Affordable Care Act (ACA)-compliant medical plans. Employees and their dependents enrolled in an ACA-compliant medical plan will also be enrolled in a separate child dental plan underwritten by Dominion Dental. Child dental services apply to all members under 19 years old who are on an ACA-compliant plan.
